Buryat State University – Federal Agency of Education of the Russian Federation

Dear Colleagues!

We would like to invite you to participate in the work of the 3rd All-Russian Conference with International Participation “Development of Traditional Medicine in Russia,” taking place on August 20-22st 2010 at the State Healthcare Institution “Oriental Medicine Center”, Ulan-Ude, Russia.

The program of the conference includes:

1. History of traditional medicine
2. Overall state and development prospects of traditional medicine in Russia. General questions in traditional medicine: disease etiology, pathogenesis and diagnostics, objectification of diagnostics and treatment methodology.
3. Prospects for the integration of traditional medicine with contemporary biomedicine.
4. Medicinal plants in Tibetan medicine. Development, standardization and quality control of plant-based medications.
5. Traditional methods of treatment and disease prevention: phytotherapy, acupuncture, homeopathy, manual therapy (massage), applied kinesiology, hirudotherapy, balneotherapy, lifestyle and nutrition.
6. Traditional health-improving systems.

The program includes oral presentations, poster presentations, a round-table, and master classes.

Conference applications (Form 1) will be accepted until August 1st 2010.

Submissions for publication will be accepted until July 1st 2010. Materials to be published (Form 2) should be sent via email at: tradmed2009@mail.ru before July 1st 2010. Please indicate the name in *Latin script* of the first author of each submission in the subject heading of your email. All additional documents should be submitted as attachments in MS Word XP format.

In order to participate in the work of the conference, please send the following documents to the organization committee:
